SEDRIC KOUAM

Full-Stack Developer | Human-AI Interaction Specialist Douala, Cameroon | (+237) 651 382 384 kouamsedrick@gmail.com |

PROFESSIONAL PROFILE

Creative and rigorous Full-Stack Developer with expertise in designing complex applications and a strong mathematical background. Specialized in integrating Artificial Intelligence solutions, I combine programming logic with critical analysis to optimize Large Language Model (LLM) performance. As a technical supervision expert, I possess the necessary discernment to guide hybrid agents toward high-precision results.

KEY AI SKILLS

- **Prompt Engineering:** Designing and refining prompts to guide LLMs toward high-quality outputs.
- **Fact-Checking & Analysis:** Scientific rigor from a Mathematics background to validate complex data.
- **Hybrid Collaboration:** Daily use of AI as a co-pilot within the software development lifecycle.
- **Quality & Reliability:** Expertise in unit and integration testing to ensure information accuracy.
- **Linguistic Proficiency:** French (Native) and English (Professional) for bilingual content curation.

PROFESSIONAL EXPERIENCE

FULL-STACK WEB DEVELOPER (FREELANCE) | *2025 – Present*

- **Design and development** of modern applications integrating Artificial Intelligence modules.
- **Full lifecycle management:** creation, debugging, and rigorous testing according to precise specifications.
- **Optimization** of user interactions through AI-driven interfaces.

PRODUCTION DIRECTOR | KPRINT PRINTING | *2024 – 2025*

- **Full supervision** of the production process, ensuring compliance with quality, cost, and deadline objectives.
- **Team coordination** and operational workflow optimization.
- **Critical analysis** of production results to guarantee alignment with expected standards.

FULL-STACK WEB DEVELOPER | KLOCALHOST DIGITAL | *2020 – 2024*

- **Corrective maintenance** and resolution of complex anomalies on web systems.
- **Execution of unit and integration tests** to ensure code stability and reliability.
- **Technical supervision** and coaching of a developer team, ensuring the transmission of best practices.

ACADEMIC BACKGROUND

- **Bachelor's Degree (Licence) in Mathematics and Computer Science** | University of Douala | *2018-2021*
- **Associate Degree (DEUG) in Computer Science** | University of Douala | *2017*

TECHNICAL TOOLS & LANGUAGES

- **Technical Stack:** PHP (Laravel), Node.js, HTML5, CSS3, JavaScript (ES6+), Vue.js, MySQL.

- **AI & Dev Tools:** Git/GitHub, LLM API Integration, VS Code, Livewire.
- **Languages:** French (Native), English (Professional).
- **Interests:** Video games, Hiking.
